annual increased grants, as the present income is very adequate for the Expenses to be incurred on the Chattram.

3. The Petrs say that Rs 50 & 100 had been granted from Municipal & Distt funds & were actually drawn for a year or so, but have been now discontinued - They pray that these may be revived.

The recorded files herewith submitted viz Municipal file 577-07 Pgs 1, 3, 4-7 and Misc 332-08 Pgs 1-4 show that while the amts mentioned by them from the sources resp^y to were allotted by the President of the Madura Municipal Council in the Budget of 1908-09, it was decided by Govt that these were not proper sources from which Charitable grants could be granted, but that a grant was available for the Chokkalingapuram chattram; but that the Muzrai Dept contributed Rs 150 per year from the funds of the Brick in Ramadevanam Chattram.

satisfactorily and recommends that an additional grant of Rs 150/- may be made to the chattram from the Bisle Sri Ramadevaru chattram.

The Chikballapur Town Municipal Board resolved in a meeting held on 26-6-14 that Govt may be requested to make an additional grant of Rs 300/- from Sri Ramadevaru chattram at Bisle to the local Amachattram at Chikballapur -

The Dharmadarsis of the chattram in their petition of 10-4-13 to the Dewan requested that an additional grant of Rs 300/- per annum may be made to the chattram either ~~from~~ out of the cash tasdik of certain other Inam institution or from District Funds -

The Dy: Comrs statement in para 2 of his letter that the Dharmadarsis of the chattram and the members of the Munc Board have unanimously proposed an additional grant of Rs 150/- from the Bisle chattram, is not quite correct.

15 The additional grant is prayed for, as the present income is stated to be insufficient for feeding travellers and poor students

the institution and found it in good working order and that a large number of poor students are being fed there and that he is, therefore, of opinion that the additional grant prayed for is very necessary -

17. From the statistics furnished by the amildar of the no. of students and travellers fed and the expenditure incurred therefor during the 3 years 1910-11 to 1912-13, it will be seen that on the average ~~cost~~ cost of feeding a student is 0-1-3 a. p. and that of a traveller 0-2-0 a. p. per annum. The provision for feeding travellers in the sanctd. scale of expenditure is Rs 400 per annum and Rs 100 for feeding Lowery Secondary students, the total provision for feeding being Rs 500.

18. From the statistics furnished by the Amildar, it will be seen that on the average about Rs 420/- is incurred annually for feeding students and about Rs 145-8-0 for feeding travellers, the total expenditure for both being 565-8-0.

19. It will be seen from the Amildar's report that provision is required to be made for feeding 8 students & 5 travellers per day. The cost per meal at the rate of 0-1-3 a. p. for a student and 2 annas for a

traveller, will be Rs 1-4-0 for one meal and Rs 2-8-0 for two meals. The cost per month will be Rs 37-8-0 or Rs 75, as the case may be, and the cost per year will be Rs 450 or Rs 900.

2. From the statistics furnished, it will be seen that on the average 14 students and 3 travellers were fed every day during the 3 years 1910-11 to 1912-13 and the cost on both heads amounted to Rs 565-8-0 per year.

If Rs 450 is the amount required for feeding both (8) students and (5) travellers per day, the provision of Rs 500/- which already exists therefor may be deemed sufficient.

3. But on the basis of expenditure already incurred, a sum of Rs 65-8-0 will be req^d in excess of the provision that already exists for feeding, and Rs 12 for increase of pay proposed to the Parpattegar.

The additional grant prayed for by the Dharmadarsis ~~of Rs 200~~ and the Municipal Board is Rs 300/- and that recommended by the Dy: Comr: to be granted out of the Cash Sasdik of the Bisle Chatram is Rs 150/-

Deputy Commissioner, Kolar District.

To

D. M. Narasinga Rao, Esquire, B.A., B.L.,
Secretary to the Government of Mysore,
General Department, Bangalore.

Sir,

Adverting to your letter No.31/Mun. 734-12-7, dated 4th July 1916, calling for report as to whether the expenses of the chattram, at Chikballapur, warrant a further grant and, if so, from what source such a grant can be given, I have the honor to state that the chattram, in question, is reported to be working satisfactorily.

2. It is also reported that the feeding of travellers is being conducted in the Institution in addition to the feeding of the poor students. As the allotment available to meet the expenses in the chattram is hardly sufficient especially, when the prices of food grains are high, the Dharmadarsis of the Chattram and the members of the Chikballapur Municipal Council have unanimously proposed an additional grant of Rs.150 from the Bisle chattram.

3. I visited the chattram and found the Institution in good working order. As a large number of poor students are being fed, I think it is quite necessary to provide for the additional grant prayed for by the petitioners and I request that you may be so good as to obtain sanction of Government to the proposal.

4. The vernacular file of correspondence ending with the Chikballapur Sub Division Officer's yadi No.914 dated 10th instant is herewith submitted for reference.

I have the honor to be,

Sir,

Your most obedient servant,
